The Honourable Marie-Claude Bibeau
Minister of National Revenue

Re. CRA tax policy loopholes

October 30, 2024

Dear Minister Bibeau,

I am writing on behalf of several constituents who are concerned about tax policy loopholes that allow fraudsters to scam the CRA and taxpayers.

The CRA has been operating faulty telecommunications tax policies that allow fraudsters to walk away with over a billion dollars. They do this by creating phony telecom companies to buy and sell telecom minutes without paying any taxes. Instead of closing these loopholes, the CRA has sought to make up the difference by targeting legitimate telecommunications providers.

Please address these loopholes in telecommunications tax legislation to ensure legitimate providers are not unjustly treated for the actions of fraudsters.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Elizabeth May, O.C.
Member of Parliament
Saanich-Gulf Islands
