Re: Democracy in Bulgaria

As the Green Party of Canada Parliamentary Caucus, we write to express our solidarity with the pro-democracy protests for Bulgaria.

We echo the European Green Party in condemning state violence against peaceful protesters. We also support the efforts of peaceful organizations whose aim is to restore democratic standards in Bulgaria.

We are watching with great concern the erosion of the rule of law in Bulgaria, a symptom of democratic erosion that is happening worldwide. The European Union must not turn away from these concerning trends – nor must Canada.

The Green Party of Canada stands strongly for non-violence and democracy, and in our roles as Members of Parliament, we will continue to urge our own government to pay attention to what is happening in Bulgaria.

We wish you all the best in your peaceful demonstrations. Thank you for the work that you do.

Sincerely,

Elizabeth May, O.C.
