

PETITION TO THE GOVERNMENT OF CANADA  
**CANADIANS IN FOREIGN COUNTRIES,  
REPATRIATION**

**Whereas:**

- There are currently 44 Canadian citizens being held in detention facilities or camps in North East Syria;
- Those being held in detention facilities have not been charged with any offences nor faced a fair trial, making the detentions arbitrary and unlawful;
- The conditions of their detention break all internationally recognized standards and norms with some detainees reporting being tortured;
- The detentions are a breach of their human rights;
- Those in camps are living in extremely cramped conditions with reported cases of malnutrition, violence, and little to no access to running water;
- The Canadian Government has claimed they cannot assist with repatriations because they have no diplomatic presence in the country, however they have also failed to provide their citizens with any alternatives;
- Regardless, the Canadian Government has shown that they have the ability to repatriate citizens from Syria, as seen with the case of the child called Amira who was repatriated last year;
- Furthermore, the forces holding the Canadian citizens have expressed a willingness to facilitate the repatriations; and
- By not even attempting to assist with repatriation, the Canadian Government is neglecting its responsibilities to its citizens and is complicit in the arbitrary detention of its citizens.

**We, the undersigned Canadian citizens, call upon the Government of Canada to:**

- Immediately begin the process to repatriate the 44 Canadian citizens (23 children, 13 women and 8 men) currently being detained in North East Syria.
